

object

```
graph BT; A["feedforward_closedloop_learning.FeedforwardClosedloop Learning"] --> B["object"]
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the word "object". The bottom box is gray with a thick black border and contains the text "feedforward_closedloop_learning.FeedforwardClosedloop Learning" on three lines. A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.
